**MEETING WITH THE MINISTER**

On the 25th of July 2017 both Gurmeed Nelson-Aged Care Coordinator and I attended a special meeting organised by the Federal Member for Banks Mr David Coleman, to meet with the Hon Mr Ken Wyatt, Federal Minister for Ageing.

The purpose of the meeting was initially requested by us and our peers in the sector to meet with the Minister and express our concerns with the ongoing issues that we and our clients have been facing since the Aged Care reforms were introduced.

The meeting with the Minister proved to be very successful on the day. There were other representatives from Aged Care providers in the St George area present to also express their opinions and concerns.

What transpired as a result is that service providers were able to provide feedback to the Minister about the My Aged Care Gateway and talk of the experiences and frustrations with the Gateway referral pathway.

Other concerns touched on the process of client assessments and how limited the information is given to the service providers.

We also provided feedback on the integrated care at home submission which provided important information to the Minister and to the Department of Health on the aspects of the reforms that are working and those that are not.

In closing providers of Aged Care services in the St George Area, agreed as a united front in our advice to the Minister to consider some aspects of the Commonwealth Home Support Program (CHSP) funding to continue as block funding, as it is difficult to measure and package Day Care Services.

Minister Wyatt thanked all of those that attended and requested that we forward his office information on our services individually.

## CHINESE GRANDPARENTS SUPPORT GROUP EXCURSION

20 eager members of the Chinese Grandparent's Support Group boarded the bus in fine weather on 27th July for the first excursion of the year. Our destination was the Sydney Harbour National Park's Northern Division. The first stop was North Head, where we enjoyed morning tea overlooking the harbour entrance. While this was an ideal place for whale watching, unfortunately we were to be disappointed.

We then moved to Manly, where we enjoyed lunch on the promenade. The bus then took us back, arriving at Kingsgrove at 3.00 pm. Although the whales let us down, everyone enjoyed the outing in beautiful winter sunshine.

## CHINESE GRANDPARENTS SUPPORT GROUP COOKING DAY

The Cantonese speaking Grandparents Support & Activity Group participated in a cooking day at the Kingsgrove Community Aid Centre on the 11th August 2017. The group made many delicious foods such as dumplings and sticky rice as well as chicken dishes, veggies etc.

This was followed by sharing lunch time together and socialising like they love to do each Friday.

If you would like to join this group, give us a call on 9150 7823 and speak to our friendly coordinator Josephine.

# ST GEORGE AGED CARE EXPO

On Thursday the 24th August, the KCAC CEO Anne Farah-Hill and staff attended the St George Aged Care Expo. What a great turnout we had at this informative event. Almost 600 people converged at the Rockdale Town Hall to attend the Expo which was organised by the St George CHSP FORUM, organised by Maryana Nassour, the CHSP Development Officer. Aged Care providers ranging from community aged care providers to Commonwealth Home Support providers came together to showcase and display the information that they provide to seniors who are over 65 years and people with disabilities under 65. The Kingsgrove Community Aid Centre jelly bean competition was entered by over 100 people and was won by Jiang Ping He! Congratulations and enjoy your jelly beans!

# QUIT SMOKING SEMINAR

The Kingsgrove Community Aid Centre held an information session on 25 August for Chinese speaking seniors on the subject of "Quit smoking and stay healthy", the guest speaker was provided by the Ethnic Communities Council of NSW. This function was well attended. The speaker explained that quitting could not be achieved overnight and that it was a gradual process on a step-by-step basis. It was important for members of the audience to pass this message on to family and friends who are smokers. Everyone found it very informative.

Providing information sessions which inform and educate the clients is important. Through client feedback we are able to organise these seminars based on the topics of interest to them.

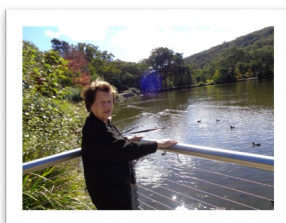

# CDSE CLUBS GRANTS PROGRAM

A big Thank you to our local clubs such as Kingsgrove RSL, Club Central and Earlwood, Bardwell Park RSL, who have been supporting the local community centre through the Clubs Grants program over the past few years. We are very grateful for the contribution that these clubs make to the local community through the Kingsgrove Community Aid Centre services.

# TRIP TO AUBURN GARDENS

It was a beautiful week at Auburn Gardens for the Seniors Social Support Groups. Each group attended this excursion this week and were blessed with perfect weather on each day. The groups enjoyed being in the sun, walking around in the fresh air and admiring the lovely gardens as well as feeding the ducks under the beautiful Cherry Blossoms. They enjoyed a healthy lunch together before being driven home in the community bus. Being a part of these groups is greatly beneficial for the physical and mental health of the seniors. Socialising together and enjoying healthy meals as well as these great outings really lift their spirits and reduces any feeling of loneliness they might have. This kind of activity helps them stay engaged and in their own homes for longer. If you would like to join one of these groups, give our friendly staff a call on 91507823.

# DISABILITY ART & DAY CARE ACTIVITY GROUP

The Kingsgrove Community Aid Centre Disability Art Class has been running since May 2017.

The feedback & suggestions we have received from the clients show just how much the participants have enjoyed coming together to do the fun activities provided for them. Since receiving this great feedback, KCAC has decided to continue this program and expand it to include more activities for the members in 2017.

The program has been renamed the Disability Art Class & Day-Care Activities Program to better reflect the bigger range of activities that have been added. As well as the existing art and craft such as painting/drawing, paper cuttings etc. we have included new activities for the group such as cooking classes, computer skills, video making skills, photography, singing, dancing and Rouli Ball exercise dances etc. These extra activities help them to learn skills to assist participants improve their independence. The program recommenced on 19th July 2017 and has attracted 6 new participants who have joined the original Art Class over the past 4 weeks. We now have 14 members in total who attend on a weekly basis.

This exciting new program occurs every Wednesday for 2 hours per day (10:30am-12:30pm) and will run for 20 weeks. The program will be re-evaluated in the 10th week of running to gather more feedback and ideas from the clients so that we can further expand on our activities in the future.

It is great to be able to provide this program which really makes a difference in the lives of many by helping to improve their social skills, confidence, ability to concentrate and to encourage them to use their creativity and imagination.

# KCAC STAFF TEAM BONDING TRIP

The KCAC staff enjoyed a weekend in the Hunter Valley recently.

The weather was perfect for the day trip to the various wineries, and visits to the village for cheese and chocolate tasting.

Lunch was at the iconic Harrigan's Irish Pub.

All of the staff had a great day out and look forward to the next one.

Thank you to our CEO Anne for supporting this team bonding experience. Thanks also to Hunter Valley Wine Tasting Tours for driving us around and getting us there and back safely.

A big "HELLO" to all our families Of Kingsgrove KOOSH, All staff would like to welcome everyone returning to Term 3 of 2017 & we hope you all had an amazing & fun break.

At Kingsgrove KOOSH we had a joyous & pleasurable vacation care, full of memorable experiences. Which includes: playing indoors and outdoors, our incursions and excursions.

Thank you, to all the children who attended & we hope you all had an unforgettable break and formed new friendships within Kingsgrove KOOSH.

Some of the special moments in which the children shared included; Movies at Hoyts Entertainment Quarters, Kingpin Bowling, were the children had an amazing day from bowling to Arcade games. Glow Crazy, Sports day, Pyjama Day and our very favourite Fun Day out gala day at Penrith. Three words to describe our Winter Vacation Care FUN FUN FUN!!! Below are some special photos of our fantastic holiday program to show how much fun we had, as photo say a thousand words.

**PARENT UPDATE RE: CCMS**

As of 24th July 2017, the department has restricted the submissions and cancellations of attendance records for previous financial year.

This means it is the parents responsibility to resolve any disputes they may have regarding CCB & CCR payments and fee reductions with Centrelink. Please make sure your status is up to date with Centrelink as we can no longer back date to previous years.

**PROGRAM**

In term 3 we have introduced as part of the learning curriculum based on the children's interest Dance and Drama. The work shop will run at both KOOSH 1 and KOOSH 2 every fortnight on a Wednesday from 4pm to 5pm by Jessica Dance Academy. All children are encouraged to participate.

Currently at KOOSH 1 children have been going to the library every Tuesday in term 3 this will no longer be on our program, children will focus on Sustainability and the Environment and its Heritage this term as part of our intentional teaching.

We offer a program based on play based learning principles and incorporate the National Framework For School Age Care and Development Framework. Area of planning include, Children's interests and needs ,Strong sense of identity and wellbeing ,Connecting and contributing to their world ,Confident and involved learners and communicators, Physical activities, Language and literature Problem solving activities ,Creative activities and areas to just get away and watch the world go by.

Educators make regular observations of the children and evaluate the program each week. Children are encouraged to have input through brainstorming sessions, suggestion box and feedback. Parents feedback and suggestions are always welcome.

# HURSTVILLE OUT OF SCHOOL HOURS CARE & VACATION CARE

The winter school holidays were full of lots of fun activities this year at Hurstville Vacation Care. The week began with a warm cup of hot chocolate followed by Aboriginal art and craft activities which we did to begin the NAIDOC week celebrations.

Our three fantastic excursion in the first week were to Glow Crazy which is an indoor party centre in Carlton. The children enjoyed the 4th of July celebrations playing X box, play station, air hockey plus a Karaoke and dance off competition. Our second excursion was to the all time favourite AMF Bowling in Southgate. The children enjoyed playing a game of bowling with their friends and 5 tokens to play on the arcade games. All children loved the dinosaur day which included a dinosaur hunt, digging for fossils and playing various dinosaur games and activities. The last excursion in NAIDOC week was to Goat Island in Sydney Harbour. We caught a ferry to Goat Island where we all enjoyed cultural workshops, exploring aboriginal art and learning about Aboriginal music, dance and story telling.

The second week we all enjoyed watching the latest Movie at the Events Cinema in Hurstville. All the children received yummy snacks. To munch on while watching a movie with their friends Our second excursion in the second week was to the Fun day out Gala Day in Penrith. We all enjoyed the jumping castles, lazer tag and lots of other fun activities.

Our last excursion was a combined excursion with Kingsgrove Vacation Care to Kingsgrove Community Aid Centre where we celebrated Bastille day. This included a French baguette and croissant for lunch and the craft activity was making our own version of the Eiffel tower.

The in-centre days included making cubby houses, games day and an art and craft day.

Our educators have been very busy preparing a fun and creative program for the children in term three.. this includes Science week, book week, father's day craft and lots more special activities. The sport program will continue on Tuesday afternoons between 4pm and 5pm and is sponsored by Kingsgrove Community Aid Centre.

I hope all families, children and educators are enjoying term 3 2017.
